

**SOUTHERN PHILIPPINES DEVELOPMENT AUTHORITY**  
**REPORT OF ACCOMPLISHMENTS/ACTIVITIES CY 2014**

*Against the backdrop of a letter from the Governance Commission on GOCCs (GCG) dated December 3, 2013 informing SPDA that through a Memorandum from the Executive Secretary dated November 26, 2013 that the President has abolished the SPDA and the scheduled Technical Working Group Meeting which was set on June 19, 2014 as earlier informed by GCG, the Agency's activities/accomplishments for CY 2014 was undertaken within the limitations of this order from GCG. In effect, the proposed plans and programs for the period could not be pursued saved for the on-going operations of some projects which had to be sustained. For its part, however, Management continued to coordinate and requested reconsideration with the GCG, the Office of the President and the support of the Bangsamoro Transition Committee, the MILF leadership and the GPH Panel and some Mindanao Congressmen and Senators in asserting the Agency's position that SPDA's inclusion first in the Framework Agreement on the Bangsamoro under the Annex on Revenue Generation and Wealth Sharing and eventually in the Comprehensive Agreement on the Bangsamoro (CAB) and the accompanying Annexes posed a violation of the signed AGREEMENT AND ITS INTENT.*

## **OPERATIONAL HIGHLIGHTS**

For CY-2014, the Agency maintained the operation of the following projects: SPDA Vitali Fishpond Project in Zamboanga City, Region IX; SPDA Koronadal Business Center in Koronadal City, SOCKSARGEN; SPDA Pikit Ice Plant in Pikit, North Cotabato and the SPDA Bonbon Agricultural Development Project in Bonbon, Butuan City, Caraga Region.

Project operations in the areas of Cotabato and ARMM continued to operate despite power disruptions during summer where the SPDA Korondal Business Center and SPDA Pikit Ice Plant are situated. The total actual revenue of the Business Center was P 2,844,484.85 against the target revenue of P 3,830,635.00 in which it only gained 74.26% income rate.

The Ice Plant facility in North Cotabato is still managed and operated by a private partner. The project is presently under management contract with an annual guaranteed income of P 350,000.00. A moratorium of one (1) month from the guaranteed income has been granted management contractor during the partial continuing rehabilitation period of the project facilities.

The Authority continued the conversion of usage of property of SPDA Integrated Solar Salt and Fish Farm to an aquaculture production from a salt production considering the unpredictable weather conditions in the region. However, proposed plans and activities of the project were put in abeyance due to the SPDA abolition issue which was resolved only with the notification letter from the Governance Commission on GOCC and the President has directed to put on hold any action on the abolition of the SPDA for the meantime as issues related to the Comprehensive Agreement on the Bangsamoro are being resolved.

The SPDA Vitali Fishpond Project continued to pursue a Joint Venture Undertaking with any private company in producing aqua products like bangus and prawns within the 67-hectares production areas. A Memorandum of Agreement was forged between the Department of Agriculture Bureau of Fisheries Region IX based in Zamboanga City and SPDA for the former to utilize one of the ponds as a demonstration and training area for aquaculture production. The Authority will enhance the operations and management of the project to maximize the profitability and explore other potential aquaculture venture in the vicinity for increase revenue.

For the year, The SPDA Bonbon Agricultural Development Project continued the mango and rice production while scouting for prospective land developer under the Public Private Partnership Program of the government for the redirection of the property usage into a Housing Project. The project generated actual total revenue of P 25,183.00 from the mango and rice production.

Operational details of the ongoing projects/activities are as follows:

### **SPDA VITALI FISHPOND PROJECT**

**Vitali, Zamboanga City**

**Region IX**

Feeding of the remaining stocks of pangasius was intensified in preparation for market disposal to SPDA's subsidiary, Marawi Resort Hotel Inc. located in Marawi City. The project managed to harvest a total of 547 kilos of pangasius/cream dory valued at P 54,700.00 at P 100.00 per kilo and delivered to Marawi Resort Hotel. A Purchase Order of 7,500 kilos priced at P 80.00 per kilo has been served by MRHI but the storage capacity of the resort cannot accommodate more than 500 kilos thus the staggered harvest for CY-2014.

A Memorandum of Agreement was forged between the Department of Agriculture Bureau of Fisheries Region IX based in Zamboanga City and SPDA for the former to utilize one of the ponds as a demonstration and training area for aquaculture production for the fishermen and interested individuals in Zamboanga City and neighboring areas. The activity is on-going and would benefit the local fisher folks in the area.

A supplemental budget of P 453,000.00 has been incurred to support budgetary requirements for the rehabilitation of the dikes affected by Typhoon Ompong on October 9, 2014. This supplemental budget is subjected for ratification by the SPDA Board of Directors.

The negotiation/talks with the interested private company engaged in agricultural crop production and other commercial business to operate the fishponds was not pursued due to the abolition order on SPDA.

**SPDA KORONADAL BUSINESS CENTER**  
**Koronadal City**  
**SOCSKSARGEN**

For the CY-2014, the project continued rental of commercial spaces of the commercial building 1, continue to operate the 18-units business inn and social hall and function room/events centers. The project attained total actual revenue of P 2.845million against the target revenue of P 3.831million for an attainment rate of 74.26%. Due to aggressive marketing and promotion strategies of the facilities have been pursued and tie-ups with government offices and private institution for the holding of special events and function within the SPDA Business Center, the project fared better compared than of CY-2013 actual total revenue of P 2.554 million.

The hotel's/business inns for the year generated P 1,395,355.00 income revenue against the target revenue of P 971,280.00 with an attainment rate of 143.66% with a 3,164 total number of clients checking in. The commercial building generated P 856,902.97 on revenues or 40.77% attainment rate against the total revenue of P 2,101,755.00 of office rentals for a total of 9 clients for the year. The second floor and one (1) door on the

ground floor has been vacant for quite some time that attributed to the non-attainment of targets. Catering services and canteen operations revenue of P 501,226.88 was 95.29% of the target of P 526,600.00 with an actual clients served of 977 persons. Function Hall/Social Hall attainment rate of 39.39% of profits or an actual total profit of P 91,000.00 from the target profit of P 231,000.00 with an average of 30 persons served per function.

The hotel continues to attract customers during the summer period despite the continuing power outages being experience in Mindanao with no exception to Koronadal City. Government offices like the Department of Agrarian Reform are some of the patrons of the project. Moreover, the Authority is also currently working out the property acquisition of Lasedeco Lot No. 991-A, Csd-12008906 containing an area of 7,516 square meters at P 840.00/square meters as per evaluation by the Privatization and Management Office (PMO).

**SPDA PIKIT ICE PLANT**  
**Pikit, North Cotabato**  
**Region XII**

For CY-2014, The rehabilitation of some facilities of the ice plant, in particular, the brine tanks and ice cans was completed during the first quarter of the year and dry run operations on the effects and efficiency of the changes made were undertaken by the technicians commissioned by the Office to undertake the rehabilitation together with the technical and operations staff from SPDA and the management contractor of the ice

plant. A satisfactory ice production turnout was realized after the repairs and replacement of the ice cans. The private partner managed to remit the total amount of P 232 thousand rendering a guaranteed income balance of P188 thousand for the year.

However, the continuing power outages experienced in Mindanao during the hot summer periods caused the temporary shutdown of the operations which consequently hampered the attainment of the target output of the ice plant and it also failed to serve the demand requirements of the market. Generating sets could offer a solution but this would also increase the production cost. Slowly, however, with the improving power supply condition and the rehabilitation work undertaken, the ice plant has returned to its normal operation and improvement in the ice output was realized.

Implemented rehabilitation of some parts of the production area incurring a total amount of P 1.629 million sourced out from the subsidy released by the National Government for the purpose in CY-2009. This is part and partial of the continuing rehabilitation of the projects facilities. The management contract has been granted a moratorium of one (1) month from the guaranteed income during the rehabilitation period.

## **INTEGRATED SOLAR SALT AND FISHFARM PROJECT**

### **Alubijid, Misamis Oriental**

### **Region X**

After the signing of the Memorandum of Agreement with the Mindanao State University (MSU) Naawan, Misamis Oriental during the latter part of CY-2013, SPDA pursued follow-up activities with MSU for the collaborative undertaking to enhance the technical knowledge of SPDA staff on the aquaculture operation and the plan conversion of the salt ponds to aquaculture in view of the unpredictable weather condition in the area whereby more rainy weather was observed to be the climatic trend in the area. These proposed activities and plans were placed in abeyance due to the SPDA abolition issue which was resolved only with the notification letter from the Governance Commission on GOCC dated June 16, 2014 that pursuant to a Memorandum from the Executive Secretary of the office of the President dated 11 June 2014, the President has directed to put on hold any action on the abolition of the SPDA for the meantime as issues related to the Comprehensive Agreement on the Bangsamoro are being resolved.

## **PROPOSED DEVELOPMENT OF THE SPDA BONBON, BUTUAN CITY**

### **PROPERTY FOR HOUSING**

For CY-2014, the project managed to generate actual total revenue of P 25,183.00 from the mango and rice production in the area. The Authority continues to scout for prospective land developer under the Public Partnership Program of the government for the redirection of the property usage into Housing Project while maintaining the mango and rice production.

The activities leading to the development of the property into housing was held in abeyance due to the abolition order on SPDA.

## OTHER DEVELOPMENTS AND ACTIVITIES ACCOMPLISHED

### SPDA PROPERTY MANAGEMENT AND DISPOSITION

#### SPDA PROPERTIES IN ZAMBOANGA CITY

One of the areas affected by the Zamboanga City crisis last September 9, 2013 brought about by the MNLF attack which rendered the residents of Mariki and Rio Hondo homeless is the property placed under the disposition of SPDA in the 1970s.

*Pictures of the destruction and situation prevailing within Mariki and Rio Hondo during the aftermath of the Zamboanga siege.*

*In 1975, a project known as Sahaya Village was established in Mariki, then a sitio of Barangay Rio Hondo, Zamboanga City, by the government through the Southern Philippines Development Authority (SPDA) pursuant to Presidential Proclamation No. 1458 and letter of Instructions 481. Said project triggered the exodus of people from the neighboring provinces into Mariki and due to its ideal geographical location and by virtue of the fact that Zamboanga city is the center of commerce and host to prominent educational institutions, many opted to establish residency in the area not only for economic reasons but foremost, the education of their children.*

*This reality propelled Mariki into a full pledge Barangay after satisfying all the basic requirements for the establishment of the same, particularly in terms of population, income and geographical size. Such creation was*

*SPDA officers and staff ocular inspection and meeting with the National Housing Authority Region IX at the Mariki and Rio Hondo properties under the disposition of SPDA which was affected by the Zamboanga crisis ( May27-29,2014)*

The National Housing Authority both Central Office and Region IX has communicated with SPDA for their plans of rehabilitating the area. The plans for the housing settlements shall be executed by the DPWH. Dispositive actions on this property shall be finalized by Management.

## **✚ SPDA PROPERTY IN CABATANGAN AND PASOBOLONG, ZAMBOANGA CITY**

During the occasion of the ocular inspection and visit on the SPDA Mariki and Rio Hondo properties, the group also conducted ocular inspection of its properties in Cabatangan being utilized in the meantime as a military base and the Pasobolong property. The Pasobolong property is a subject of negotiation for the road construction of DPWH which will pass through the SPDA property. Likewise, the property is being considered for possible relocation/resettlement site for the evacuees of the Zamboanga crisis. A private developer sounded off interest on the Pasobolong property but due to the abolition order, the SPDA officers advised them to make a formal proposal for it to be addressed properly.

## **✚ SPDA PROPERTY IN CATITIPAN, DAVAO CITY**

Subject property has been subjected to the Community Land Acquisition Support Program of the National Housing Authority. The informal settlers' association, CAHOA continues to coordinate and meet with the Agency for problems and updates on their activities aside from remitting their payments for the property. For this year also the assistance of the OGCC was sought by the Agency for some of the settlers who have not paid their accounts despite negotiated agreements made. Likewise, some officers from HUDCC Central Office also visited SPDA and a window of opportunity was presented for the CAHOA to be able to access some funding from HUDCC for their survey costs.

*Meeting between SPDA and CAHOA officials*

## **SPDA DON CARLOS AND MARAMAG PROPERTIES**

*SPDA Properties and Assets Team with the leadership of SPDA Finance Manager conducted ocular inspection and visitation on the SPDA properties in Don Carlos and Maramag last November 11, 2014.*

### **SPDA'S INCLUSION IN THE SIGNED ANNEX ON REVENUE GENERATION AND WEALTH SHARING OF THE COMPREHENSIVE AGREEMENT ON THE BANGSAMORO**

- Upon the invitation of the Bangsamoro Transition Committee's Fiscal Autonomy Committee chaired by Commissioner Jajurie, SPDA briefed the committee on January 8, 2014 in Davao City. Likewise, a possible mechanism for the Bangsamoro to gain ownership and management of SPDA was presented. The issue on the abolition of SPDA was also raised and discussed on this occasion and its implications on the inclusion of SPDA in the signed Annex on Revenue Generation and Wealth Sharing of the Framework Agreement on the Bangsamoro which was signed on July 13, 2013. The Committee elevated the issue to the BTC proper and the matter was also presented to the GPH and MILF Panel level. SPDA officials had a follow-up meeting with the BTC at their office in Cotabato City last March 3, 2014.
- Meeting with SPDA officials headed by Administrator Tomawis with the Chairman of the MILF Central Committee, Al Haj Murad Ebrahim, at Camp Darapanan, Sultan Kudarat on January 13, 2014 was undertaken to discuss and gain insights from the Chairman relative to the issue on SPDA's abolition and its inclusion in the signed Annex .

- Meeting with some Mindanao Congressmen and Senator in March – Congresswoman Bai Sandra Sema, Congressman Pangalian Balindong, Congressman Sacdalan and Senator Guingona relative to the abolition of SPDA and the signed Annex of the FAB.
- The Agency through the Corporate Affairs Manager also visited the Bangsamoro Development Agency (BDA) in Cotabato City sometime in March this year to look into the possible entry points of SPDA and inquire on the Bansamoro Development Plan being formulated. The BDA is also an implementing arm of the MILF programs and projects in coordination with the World bank and JICA and the Mindanao Trust Fund Program.
- A letter from GCG dated June 16, 2014 informed the Agency that through a Memorandum from the Executive Secretary of the Office of the President dated June 11, 2014, the abolition of SPDA is suspended pending resolution of the Comprehensive Agreement on the Bangsamoro and the ensuing proposed Basic Law.

**HOUSE BILL NO. 4994 states:**

***“ARTICLE XII SECTION 30. Southern Philippines Development Authority and Al-Amanah Islamic Investment Bank. – Within six (6) months from the establishment of the BTA, the Intergovernmental Fiscal Policy Board shall determine the participation of the Bangsamoro in the ownership and management of Al-Amanah Islamic Investment Bank of the Philippines and the Southern Philippines Development Authority as provided in P.D. 690 as amended by P.D. 1703 and the mode of transfer of ownership to the Bangsamoro Government. ”***

**Annex on Wealth Sharin specifically states:**

***“II. OTHER SOURCES OF REVENUES***

***C. An intergovernmental mechanism shall be created to determined the participation of the Bangsamoro in the ownership and management of the Al-Amanah Islamic Bank Investment Bank of the Philippines and the Southern Philippines Development Authority (SPDA)...***

**FINANCIAL HIGHLIGHTS**

**SPDA BUDGETARY PROPOSAL FOR CY-2015** was submitted to DBM and undergoes pre-technical budget hearing conducted on the first week of May and the technical budget hearing proper on the third week of May. The DBM, however, had to hold in abeyance their budget recommendations in view of the abolition memo from OP per GCG’s recommendation. The budget was further put off following the letter of GCG informing SPDA of the Technical Working Group (TWG) meeting on June 19, 2014. Later, after the suspension of the abolition pending resolution of the Comprehensive Agreement on the Bangsamoro and the Basic Law per memo from the Executive Secretary of the Office of the President Dated June 11, 2014 and the letter of GCG dated June 16, 2014, DBM in its letter dated June 23, 2014 recommended a budgetary ceiling of P 42.030 Million for SPDA.

***SPDA officers during the pre-technical budget review with DBM Bureau F on May 6, 2014 at the DBM Head Office in Manila***

Based on the unaudited consolidated financial report for CY-2014, the total revenues generated from projects, other properties and assets totaled to P 6,372,157.37. The SPDA Koronadal Business Center, Business Inn/Hotel, Function Hall Rooms/Catering generated revenue for a total of P 2,976,221.85 for the year. Other project such as the SPDA Vitali Fishpond, SPDA Agusan Valley Integrated and the Intergrated Feedmills Corporation contributed a total of P 150,853.90 to the income. Rental income from SPDA Makati Condominium and SPDA Zamboanga City Veterans Avenue Property contributed a total of P 1,334,380.00 to the revenue. Other income/collection amounting to P 1.50 million was realized from the repayment of housing covered by the Community Land Acquisition Support Program (CLASP) of the SPDA property in Catitipan, Davao City.

Total subsidy release from the National Government for CY-2014 is P 52.040 million intended for the Maintenance and Other Operating Expenses of the Authority from which it covers the Personal Services and MOOE items. Corporate funds generated from the operations of the Authority have been utilized to partly supplement the budgetary requirements. Total Current Operating Expenses (Personal and Maintenance and Other Operating Expenses) is P 56,822,224.67 for the year. Net Surplus at the end of CY-2014 was P 1,589,932.70. (Refer to the Financial Statements for complete details.)

The abolition memo from GCG did not allow the Agency to implement some of its proposed plans and activities for the period thus affecting the expected outcome for the period.

## FINANCIAL HIGHLIGHTS

### BALANCE SHEET

	2014 (UNAUDITED)		2013 (AUDITED)		INCREASE/ (DECREASE)	%
<b>ASSETS</b>
